

THE CERTIS EXPERIENCE

**BUILD, CO-CREATE AND
GROW TOGETHER IN OUR
COLLABORATIVE SPACE**

Embark on your tech-enabled digital transformation journey at The Certis Experience. Here, Certis specialists work closely with you, partnering you to co-create customised state-of-the-art technology solutions that meet your needs, transform your operations and drive your desired business outcomes.

As our tech-powered executive briefing centre (EBC), The Certis Experience hosts onsite and digital explorations of your customised solutions. Our EBC houses a 270-degree screen for an immersive experience, while our digital EBC offers interactive virtual tours amidst COVID-19's low-touch economy.

We invite you to experience the future of business with us.

CERTIS

Certis is a leading outsourced services partner that designs, builds and operates multi-disciplinary smart security and integrated services. Our multi-service offerings leverage our strong heritage in security, and are augmented by applied AI solutions. These solutions are part of our comprehensive technology development and systems integration capabilities that are fully cyber secure by design.

We forge deep partnerships with our customers in the private and public sector. Our customers trust in our unique principle of Operational-Design First, and share our belief that technology and operations must work hand-in-hand, not in silos.

With your business needs firmly in mind, we first seek to understand your operations thoroughly, so that we co-create the perfect experience that drives optimal outcomes for you. Underpinned by robust process design, we will operationalise the full turn-key solution that guarantees results.

At Certis, we seamlessly orchestrate security, facilities management and customer experience for greater cost efficiencies that empower your future. We are committed to building a safer, smarter, better and more sustainable business for you.

Certis is headquartered in Singapore, with an international presence that extends to Australia, Hong Kong, Macau, China and Qatar.
