

Important Notice: Rental Fees Update

Starting from 1 September 2025, there will be a revision to our Safe Deposit Box rental fees.

This adjustment is part of a broader update across our operations to ensure long-term service reliability amidst rising operational and infrastructure costs.

There are several upcoming enhancements in the pipeline to bring the best customer experience to you. These include the introduction of electronic invoicing (with your box number as the password), refreshed branch interiors at Paya Lebar, and a new online registration portal for new box subscription sign-ups and viewing of your past transactions. Look out for these new implementations as we share more details with you closer to date.

Thank you for your continued trust in Certis Safe Deposit Box.
